THE VILLAGE OF HEYWORTH SIDEWALK REPAIR OR CONSTRUCTION PETITION

The Village of Heyworth offers a 50/50 program where, if a deteriorated sidewalk in an established area is requested to be replaced, or if no sidewalks are present and the construction of sidewalks may be of mutual benefit to the community as a whole, the Village may provide 50% of the cost of such construction. In order for the Village to consider this cost sharing, this petition must be completed in full and submitted to the Streets Committee of the Village of Heyworth. The Streets Committee will then review this petition and make a recommendation to the Village Board of Trustees for consideration by the Village Board at the next regularly scheduled Board Meeting.
